

Another night on Broadway Boulevard  
I watch the streets cover with snow  
Another night on Broadway Boulevard  
Man I aint ever going home

The world gets crazy sometimes  
But there's nowhere I'd rather be on this Friday night  
Than sitting here with you gazing at the stars  
On Broadway Boulevard

The traffic's loud but I can't hear a thing  
I've never seen so many lights  
The skyline dances on the sunset  
And the night is covered in black and white

The world gets crazy sometimes  
But there's nowhere I'd rather be on this Friday night  
Than sitting here with you gazing at the stars  
On Broadway Boulevard

Your eyes shine brighter than the neon screens  
The night is young but so are we  
Singing loud to slow songs  
As we dance out in the street

The world gets crazy sometimes  
But there's nowhere I'd rather be on this Friday night  
Than sitting here with you gazing at the stars  
On Broadway Boulevard
